Community Service

Camp Skyline encourages girls to have a giving and a loving heart and to grow more and more like Christ each day. The Skyline Foundation had generously supplied over 150 scholarships since its inception in 2004. We would not be able to grant these scholarships without the continued charitable donations from our alumni, campers, counselors, board members and various corporations.

We believe that those who receive benevolence should also give back to their communities. We ask that parents encourage their daughters to seek out volunteer opportunities. We are not requiring any set number of hours, but we do ask that their choice of community service makes an impact on their community and that they understand their contribution.

For younger girls (grades 1-6): Examples (but is not limited to): Helping a teacher after school, helping a neighbor unpack groceries, setting up a lemonade stand benefitting a charity they believe in.

For older girls (grades 7-11): Examples (but is not limited to): Volunteering at a soup kitchen or the local Humane Society, running in a charity 5K or 10K or volunteering during one.

Please note that the school guidance counselor can also help to figure out a community service options that are age appropriate for your daughter.
